

## Mentoring Program Guidelines

There must be 100% parental Participation, which includes updated contact information: address, phone number, cell phone, email address, etc.

- There will be no individual in-home visitation by the Mentor.
- No Mentor will be alone behind closed doors with their Mentee.
- The mentor is positioned as a people grower and disciple to the Mentee.
- Each Mentee must be accountable to the Mentor they have been assigned to.
- Each Mentee must exchange all necessary information for contact and communication which includes: address, phone numbers, cell phone, email address, etc.
- There will be complete confidentiality between the Mentor and Mentee. With serious matters such as life threatening information or incriminating information, the parents, the Mentor, and the mentoring director must be involved.
- The Mentor-Mentee Relationship will be for the time period of one year.
